<b>art-d-fact</b>	nice!
<b>Audiowhores</b>	Feeling the dub, nice to hear some musical techy vibes going on! 8/10
<b>Barry Weaver</b>	Really good and original sounding. I like both mixes, though I'll probably play the dub. I could see Francois K or even John Digweed liking one or both of the versions. Thanks!
<b>Basic Soul Unit</b>	Quite nice. Very restrained but in a good way, nice build of intensity and like the slightly Brazilian element. Thanks!
<b>christian Prommer</b>	nice one. I like the dub. geat drive and Detroit vibe, as always with Bangana..will play for sure.

<b>DADA LIFE / DIBABA</b>	Nice feeling, but nothing for a Dada Life DJ-set. Too soft...
<b>daniel (trickski)</b>	I like the dub! the vox are a bit too much for me but the dub is really great! too bad we did not meet properly in NY. I was supertired after being awake for about 26h straight. anyways, I hope to meet you guys some other time!. cheers d
<b>Danny J Lewis (aka Enzyme Black)</b>	Thanks guys, at first i wasn't sure about it - the synth stabs reminded me a little of faithless and other tracks from that era but i gave it some time and it sounds like a monster.. at the right time and the right place this majestic beast would go off! Feeling both mixes.. that initial single stab just grows and grows with additional harmonic layers that develop into a sinister, emotive rollercoaster! loving the layered harmonies on the vox and the stabs - this thing just builds and builds.. percussive hits and drops work a treat.. will be supporting for sure.
<b>Danny Marquez</b>	WOW. THE DUB IS AMAZING. RESPECT! 10/10.
<b>dave jarvis-faith</b>	ooh like the dub very much...phat drums with that sonic twist!!!!

<b>dimitri from paris</b>	thanks, but not for me not much a fan of electronic stuff. Take care. D
<b>DJ Angola</b>	Nice track. I like the dub. Great groove.
<b>DJ Dealer</b>	As always you boys are always doing something fresh, innovative and definitely creative. Love the beats and the music but for me this one is great to listen to but to be honest I would not play this one in the clubs...I could see it working wonderfully in some of the big rooms, but it gets a little over the top for my tastes. A more stripped down rawer version would be more to my liking...sorry just trying to be honest.
<b>DJ FRANCK ROGER</b>	not into the vocal as its really special i think we like it or not.. but im more into the dub mix ! nice promo page, nice way to send promo!
<b>dj pippi</b>	this is perfect guys!!! great combination electronic Brazil!!! Vibe!!!! i like the Madrugada Hook!! Full support!!!!!!!!!!!!!!!!!!!!!! Guys this will rock Miami 08!! Unfortunatley i Can't be in Miami and suport this Magic tune!! Peace!! Pippi

<b>Edground</b>	Wow!!! This is a bomb track. The vibe is amazin. Nice portuguese words.

<b>Mario Ferrini</b>	I LOVE THE DUB!
<b>Marius Ionita</b>	i love the combination of vocals and rhythms that SUMO is so well known for and the deepness and "filthy" bassline that's a true BANGANA signature! absolutely love it!
<b>mark seven</b>	the vocals just ain't my thang BUT that said, the dub's nice. although that lift is getting awful close to trance territory boys!!! keep rockin' x/m

<b>MFSB</b>	Sounds like a North/South sort of meeting. Not to say a meeting of the extremes, bringing Brazilian lyrics to some lectro/poppy environment...
<b>Michael Fossati</b>	So far, its the dub for me - nice deep stuff, but will give the vocal another listen. Review on "Spirit of House" following soon.

<b>philgood (fréquence jazz)</b>	Good mix : I love this afro-brazilian feeling over a detroianesque trancey rhythm. Deeper is better.
<b>Pierre Ravan</b>	Beatiful Hook and like the Voice...Afro-Portuguese :) But the other mix is Instrumental and Not DUB,Right ? :)
